

## Cleaning Charge Table

Duration	Charge	Details
Under 15 Min	€15.00	Basic charge for a quick cleaning session that takes less than 15 minutes.
Under 30 Min	€30.00	For cleaning services that last between 15 and 30 minutes.
Under 60 Min	€60.00	Standard charge for cleaning services lasting between 30 and 60 minutes.
Over 60 Min and Need Specialist	Specialist Actual Charge	If cleaning takes more than 60 minutes and/or requires a specialist, the cost will be based on the specialist's actual rate.

### Additional Notes:

- **Specialist's Actual Charge:**

- If the cleaning service exceeds **60 minutes** and requires the expertise of a **specialist** (e.g., for intricate or more challenging tasks), the cost will be based on the **actual rate** of the specialist, which may vary depending on their specific skills, experience, and the nature of the task.
- This could include deep cleaning, stain removal, specialized equipment usage, etc.

- **Replacement Option:**

- If a **replacement** is needed for any part of the cleaning service (e.g., equipment, materials, or items), the full **cost paid for the replacement** will be the charge.
- This includes situations where replacement is the only viable solution to complete the service, such as broken or damaged tools, or the need for more extensive materials.

- **Extra Charges for Unforeseen Issues:**

**Additional Charges** may apply if there are unforeseen complications that extend the time or require additional materials, tools, or personnel.

- This includes tasks such as extensive damage or areas requiring special attention beyond the usual cleaning services.
