

# Child Safeguarding Statement

Since 1997, we have worked with LGBTQ+ people, including adolescents and children, to create a vibrant and safe space for LGBTQ+ people, groups & organisations that is inclusive of the diversity within our communities. As part of that work, we strive to ensure that children and young people who access Outhouse are safe from harm.

Outhouse occasionally engages with children and young people through directly and indirectly hosting youth-focused events, peer support groups, and community activities. Children may also be present as part of family participation in wider LGBTQ+ community events. All activities involving children are supervised by trained staff or volunteers.

This statement has been developed not only to safeguard children and young people who access the centre but also families, staff, and volunteers engaged by Outhouse. This document is based on the following:

- Children First: National Guidance for the Protection and Welfare of Children
- Guidance on Developing a Child Safeguarding Statement
- Child Safeguarding: A Guide for Policy, Procedure, and Practice

As an organisation, we:

- recognise that the protection and welfare of children are of paramount importance, regardless of other considerations;
- comply fully with our statutory obligations under the Children First Act 2015 and other relevant legislation relating to the protection and welfare of children;
- co-operate with the relevant statutory authorities concerning child protection and welfare matters;
- adopt safe practices to minimise the possibility of harm or accidents happening to children and protect staff and volunteers from the

necessity to take unnecessary risks that may leave themselves open to accusations of abuse or neglect; and

- respect in full confidentiality requirements in dealing with child protection matters.
- acknowledge our responsibilities under the Children First Act 2015 in relation to mandated reporting and ensure mandated persons understand their reporting duties.
- commit to providing an inclusive, respectful environment for all children and young people, including LGBTQ+ children and the children of LGBTQ+ parents, and ensuring that discriminatory behaviour is not tolerated.

This Safeguarding Statement is displayed prominently on the Outhouse website, in our premises and at locations where we run events and services.

This Safeguarding Statement applies to all staff, interns, volunteers, board members, and individuals accessing Outhouse and events hosted by us. This Statement applies when working on any premises utilised by the organisation for its activities and when working on behalf of or representing Outhouse.

3	Lack of knowledge of personnel on how to manage an allegation of abuse made by a child.	Induction process, child safeguarding training, and child protection policy.
4	Lack of knowledge of Outhouse personnel of expected behaviour while interacting with patrons.	Staff handbook and induction process. Outhouse guidance document on boundaries and confidentiality with patrons.
5	Risk of harm due to inadequate recruitment procedures.	Recruitment procedures are in place.
